

NITRO EXPRESS

COMPACT ANALOG WAREWASH DISPENSER

The Nitro Express is the compact multi-feature dispenser for smaller kitchen environments. It's easy to program with traditional analog programming and built to reduce installation and service time. The Nitro Express comes with a pre-wired power supply, mounting bracket and quick change pump cover all designed to lower the total cost of ownership.

- Probe or proless operation from the same unit
- Compact Splash resistant ABS enclosure
- Pre-wired power supply to reduce installation time
- Wall mounting bracket for easy installation and removal
- Quick change pump cover for tool-less tube changing
